Item 4-Outside Business Activities

A. Investment-Related Activities

1. Registered Representative of a broker-dealer: *LaSalle St. Securities, LLC*

Michael Graham is separately licensed as a registered representative of LaSalle St. Securities, LLC; an affiliated broker-dealer. There is an inherent conflict of interest in LaSalle St. Investment Advisors, LLC recommending that its advisory clients establish accounts at LaSalle St. Securities, LLC and direct compensation to an affiliate. These individuals, in their separate capacity, can effect securities transactions for which they will receive separate, yet customary compensation such as 12b-1 fees for the sale of investment company products, concessions on fixed income new issues, and variable annuity concessions in their capacities as registered representatives of LaSalle St. Securities, LLC, which could be an inherent conflict of interest. While LaSalle St. Investment Advisors, LLC and these individuals endeavor at all times to put the interest of the clients first as part of our fiduciary duty, clients should be aware that the receipt of additional compensation itself creates a conflict of interest, and may affect the judgment of these individuals when making recommendations.

2. Insurance Company or Agency: *Insurance Agent*

Certain members of our firm's management are separately licensed as fixed insurance agents of various insurance companies. In that capacity, these individuals provide insurance contracts through such company(ies). The services delivered by the insurance company are distinct from those provided by our firm and are provided for separate compensation and are not held in any type of fee-based accounts. There are no referral fee arrangements between our firm and the insurance companies. We do not feel that this relationship creates any conflict of interest.

B. Non-Investment Related Activities

Michael Graham is not engaged in any other outside business or occupation that provides substantial compensation or involves a substantial amount of his time.

Item 5-Additional Compensation

Michael Graham does not receive any economic benefit from a non-advisory client for the provision of advisory services.
